A ONCE-IN-A-LIFETIME EXPERIENCE!

If you're anything like us, you've probably dreamed of adventuring in Africa's outdoors ... eyeballing its untamed wildlife ... enjoying first-hand what most people can only read about or view second-hand on TV or *YouTube*. Well, 10 years ago **WE DID IT!** We took a fun group of like-minded young-at-heart Kiwis on an East African safari. And that was so good **WE DID IT AGAIN ... AND AGAIN ... AND AGAIN!** And (no kidding) we rate all of these trips amongst the **VERY BEST** travel experiences we've ever had.

THAT'S WHY WE'RE GOING BACK YET AGAIN – IN AUGUST 2020 – AND YOU'RE INVITED TO COME!

Words can't really describe the sights, sounds, smells, tastes and encounters that await you: the vast, scenic game parks ... the endless herds of gazelles, zebras, wildebeest ... the majesty of elephants on the move ... the thrill of lions on a hunt ...

Come and share this **MIDLIFE MADNESS ON SAFARI** with us! It promises to be totally wild ...
