Everyone seems to be going to Spain & Portugal these days. Both countries are enjoying an explosion of popularity, reporting gleefully on record years for overseas arrivals.

What's the big attraction? Well, fasten your seatbelt, folks, because we're about to find out!

Our Mad Midlife romp through the Iberian Peninsula will kick off in Barcelona, pulsing with passion, style, art and Antoni Gaudi's stunning architecture. From there we'll follow an enticing trail that ends up in vibrant, energetic Madrid, showcasing the very best that Spain & Portugal have to offer.

Along the way we'll soak up the history of these one-time rival empires ... get lost in their labyrinthine streets ... be treated to some fiery flamenco ... unwind on a laid-back river cruise ... tease our tastebuds with yummy tapas, scrumptious paella and soothing sangria ... and have more fun than you can shake a stick at.
